

Health Care Experience

Credit toward the selective admissions process will be awarded to those applicants with employment, volunteer or extensive observation in a human medical care setting (i.e. hospital, physician's office, nursing home, hospice, outpatient clinic, rehabilitation center) equating to **at least 20 completed hours**. Please do not report any experience less than 20 total hours or hours that have not yet been completed at time of application.

Please complete the form below to report your prior healthcare **experience and upload to the documents section of the Radiologic Technology application.**

Your Name: _____

Total number of hours: _____

Facility name: _____
